Home Hub Quick Start Guide

starlinghome.io/compliance

Connecting Nest to your Apple Home will take just a couple of minutes.

Connect the supplied Ethernet cable between your home Internet router and Starling Home Hub.

Connect the supplied power adapter between Starling Home Hub and a convenient AC outlet.

On any iPhone, iPad or Mac connected to your home network, go to setup.starlinghome.io in your web browser and follow the on-screen instructions.

Problems setting up your Starling Home Hub? We're here to help. Just visit us at starlinghome.io/support and we'll get you up and running.
